Los Angeles County Animal Care Foundation Programs

Animal Care Centers

Donations may be made to any of our seven animal care centers to assist with our many programs and services for the animals in our care. Care centers are located in Agoura, Baldwin Park, Carson/Gardena, Castaic, Downey, Lancaster and Palmdale.

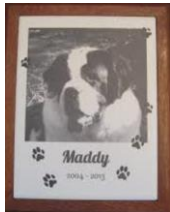

Dreams Come True

This program provides special surgeries, procedures and medications for animals in our care. It helps save the lives of pets whose medical illnesses or injuries are too extensive and too costly to treat through the normal course of DACC veterinary services.

Grooming Gives Hope

This program provides for professional grooming for DACC pets. Grooming greatly increases the comfort and relieves pain of animals that have been neglected. Grooming makes the pet more visually appealing, which makes them more adoptable.

In Memory/In Honor

Donations may be made at any time to honor a pet or person. They may also be made in memory of loved ones.

Noah's Legacy

This program provides for the needs of pets that are left behind or otherwise separated from their human families in major disasters. The program also supports the DACC's emergency response efforts to rescue animals in harm's way.

Palmdale Care Center Pavers

Show your support of the Palmdale Animal Care Center by sponsoring one or more of 570 individual tribute pavers that will become a permanent part of the care center. Pavers begin at \$100 each and will be placed under the pergolas in front of the care center for all to see. Additional sponsorships of specific areas of the care center are available. For more information contact Chris Laib at 323-854-1820 or at supporter@lacountyanimals.org.
