

Eleanor Neighbors

1931 – 2023

Eleanor was always a devoted supporter of those who needed a voice, who needed help, who needed someone, because she never forgot her own humble beginnings and thanked God for all His blessings.

She especially loved children, animals, and Veterans and cared very deeply about sincere organizations who helped to ease their pain and suffering.

At times maybe only a small gift could be mailed, but each time her little “something” was always sent in an envelope full of love and a secret “future” promise.

During the last few years, one of Eleanor’s greatest pleasures was going with her daughter and son-in-law to the local pet store and buying Christmas presents for “all” the animals at the local animal shelter.

Pulling up to the facility feeling like Santa in his Sleigh (and yes, she even wore her Santa hat), Eleanor laughed and smiled while unloading the many bags full of treats, food, and toys so no animal felt forgotten or unloved on Christmas morning. And those future promises she secretly made through the years; they were finally realized upon her death.

Eleanor had greatly admired the work of the Animal Care Foundation and their efforts to help the injured homeless animals through their Dreams Come True Fund.

Once again, Eleanor didn’t want any animal to feel forgotten or unloved. Through her legacy of generosity, Eleanor wanted them to know they ARE NOT FORGOTTEN – THEY ARE MUCH LOVED.

Thank you, Animal Care Foundation, through your Dreams Come True Fund and generous supporters like my dear Mom, you will be able to continue to provide the very least of animals with the very most - a second chance for finding their Forever Home. God Bless You All.
