

How Can You Help The Animals?

The Foundation provides a donation opportunity to those who wish to assist Los Angeles County animals in need. Your contributions to the Foundation support valuable programs such as adoptions, spay-and-neuter programs, and direct support to ensure the safety and comfort of shelter animals. Your gift will help these programs continue during the next year and help sustain vital lifeline programs to shelter animals in need.

Donations may be made in memory of a beloved pet or in honor of a friend or family member as a thoughtful way to recognize their compassion for animals while supporting our mission. Your donation will be gratefully acknowledged in our newsletter and the honoree will receive a notification that you have sent a gift designated in his or her honor.

Thank you for your support!
